

## Student Chapter Founder and President

### About the position

We are looking for the next passionate change maker to lead a Net Impact chapter at their college or university! Chapter leaders are on-campus, student volunteers that guide their peers in making a difference today and develop outstanding leadership skills for a lifetime of impact. They play an integral role in connecting their local chapter to Net Impact's chapter network, comprised of students and professionals pursuing their passions and making change in their local communities. Chapter leaders receive exclusive benefits from Net Impact including:

- Access to Net Impact program opportunities such as our [Food Solutions Challenge](#) and [Up to Us Competition](#)
- Resume-building experience through leadership development opportunities by leading chapter events and activities
- Direct support and resources from dedicated Net Impact staff
- Access to our international network of impact leaders

### Specific responsibilities include:

- Defining leadership team structure and roles through appointment or elections
- Leading the establishment of the chapter's annual plan and social and environmental impact vision for the year
- Convening the leadership team and membership regularly for meetings
- Coordinating events and activities for chapter membership with the leadership team
- Maintaining a relationship with Net Impact Central, notifying them of new changes to leadership or other chapter news
- Ensuring that chapter requirements are met annually

### Qualifications

- Undergraduate or graduate student
- Enthusiastic commitment to Net Impact's [mission](#)
- Desire to work with a group of students passionate about solving the world's toughest problems
- Any major welcome!

### About Net Impact

Net Impact inspires and equips emerging leaders to build a more just and sustainable world. We are a global community of students and professionals who aspire to be effective drivers of social and environmental change. Our programs — delivered from our headquarters in Oakland, CA, as well as globally through our 400+ chapters— offer emerging leaders the skills, connections and experiences they need to make lasting impact now and throughout their careers. We believe in our collective potential to change the world.
